

About the Tournament and the Club

The Colonial Park Chapter of Rotary International was chartered on March 30, 1951 and is part of District 7390. The club has approximately 90 members who represent all aspects of business and community in Lower Paxton and surrounding communities.

Playing for a Good Cause

The Colonial Park Rotary Club is designating the proceeds from the golf tournament to be used as scholarships for three students who would not have the ability to pay for tuition. These scholarships can be used at any accredited post-secondary educational institution.

Three eligible graduating seniors from Central Dauphin, Central Dauphin East, Bishop McDevitt, Harrisburg Christian and Dauphin County Technical Schools will each be awarded a \$5,000, one-year scholarship.

Over the past 16 years, the club has awarded more than \$170,000 towards providing scholarships to local students and assisting civic non-profit organizations.

The Colonial Park Rotary Club is working to make this the best year ever!

**Norman P. Hetrick
Annual Golf Outing**

This is the 17th annual golf tournament sponsored by the Rotary Club of Colonial Park. The tournament is named after Past President Norman P. Hetrick, who passed away on June 30, 2009. Norm was president of the Rotary Club of Colonial Park during the Rotary year of 2001/2002. As President, it was Norm's goal to raise funds for community projects and organizations, especially to benefit students in area schools and the Harrisburg Foundation.

Just as the Rotary Club of Colonial Park decided to recognize Norm, and name the tournament after him, it was also decided to direct the funds toward one of Norm's favorite projects — supporting student scholarships. All proceeds raised from this golf tournament will be used to provide three scholarships worth \$5,000 each. These three scholarships will be awarded to a graduating senior entering any degree program at an accredited post-secondary educational institution for one year. These three, one-year scholarships are open to seniors in Central Dauphin School District, Dauphin County Technical School, Bishop McDevitt High School and Harrisburg Christian School.

Norm was very active in the community serving as a Trustee of WITF public radio/TV station and was a member of the Board of Directors of the American Lung Association. He was Past President of the Dauphin County Library System and former Trustee of the Episcopal Home of Shippensburg. Norm was a Past President of the PA State Association of County Commissioners, a former member of the PA State Board of Pharmacy, and Past President of the American Lung Association of PA.
